Delaware County DPW - Solid Waste

(607) 832 - 5800

Solid Waste Management Center

(607) 865 - 5805

SPECIAL WASTES

- House/Apartment clean-outs are subject to all solid waste and recycling guidelines.
  - Please separate all materials!
- Litter clean-ups, illegal dumping, and litter in black bags will be investigated to identify the illegal dumper.
- Ovens, stoves, and appliances that do not contain freon or other refrigerant gas are accepted at the Solid Waste Management Center.
- Scrap metal should be delivered to the Solid Waste Management Center or scrap yard.
- Paint cans with residual paint MUST be dried out or filled with cat litter, and the lids removed prior to disposal with C&D. Empty and clean paint cans are recycled with scrap metal at the Solid Waste Management Center. Full paints should be brought to the CLEAN SWEEP. Contact Delaware County DPW for more information.

TRANSFER STATION GUIDELINES

- Transfer station is open to residents and landowners of the Town of Bovina. Users MUST first obtain a permit sticker from the Town Clerk.
- Permit sticker should be clearly visible on rear view mirror of vehicle.
- ONLY waste and recyclables generated within the Town of Bovina will be accepted for disposal.
- All solid waste deposited in plastic bags must be WHITE or CLEAR plastic bags.
- To prevent litter, NYS law requires all loads to be COVERED during transport.

PROHIBITED ITEMS

JUNK VEHICLES, BODY, CHASSIS bring to a scrap dealer.
